Force Protection Travel Requirements

All Department of Defense military and civilian personnel must be briefed on force protection considerations that apply to their destination and to the route they plan to travel to

and from that destination. Before leaving on any trip, always check government force protection Web sites for up-to-date travel advisories. These Web sites are www.state.gov/travel (criminal/travel advisories/warnings), www.cdc.gov/travel (types of diseases at that location) and www.odcsops.hqusa.army.mil (FP page, threat levels by country).

COLA and Deployments

Some soldiers and family members believe that Cost of Living Allowance stops upon deployment of a soldier. When a soldier deploys, all allowances remain in effect. However, if a family returns to CONUS and stays away longer than 30 days, COLA is changed to the "without dependents" rate. Families departing for 30 days or less do not suffer a COLA entitlement interruption. For more info contact your local finance office.

Safety Reminders for Post Residents

Families living on post are reminded that entry doors to housing buildings must be locked at all times. In addition, building coordinators need to make certain that all exterior doors to their building are closed and locked and that all families have keys for these doors.

Also, remember that all cars need to be registered. If you notice an unregistered car that has been parked in your housing area, notify the Military Police immediately at 430-5262/civ. 0711-680-5262.

Adopt-a-Reservist in Stuttgart

Many reservists have come into the Stuttgart military community to augment the many missions here during wartime. You can help support them by making them feel at home: cook a meal, bake some cookies, or invite a reservist to a barbecue or an outing into a quaint German village.

These reservists, who are integral to our mission and augment our community, have left their jobs, the comfort of their homes and their friends to serve our country and protect our community.

Adopt-a-Reservist is a program that encourages the community to support these reservists. The program offers a chance to give back to the reservists by way of a home cooked meal or much-needed transportation. For info call Pam Howard at 0172-763-0603 or e-mail dochoward@blazenet.net

PHS Acceleration Option Available

This possibility exists for students who are on PCS orders only. The school does not provide an early withdrawal for students who wish to leave early for convenience sake only. For info call Mrs. Hanks at 430-7223/civ. 0711-680-7223.
